The proposed La Crosse Club is "a dead thing."

All the editors have sons now. *Ua puka ka la.*

Inspector Sam Macy is sick. The hackdrivers are sorry.

The Cricket Club will meet at the Arlington Hotel on Friday evening.

The Chic Sailor Hat is the very latest and can be found at Sachs', Fort street.

The Bennington used search lights last night. They didn't find the comma bacilli.

No steamers took passengers or freight for any port on the other islands to-day.

Mail was taken by the Mokolii to the other islands after thorough fumigation—Good for the Board of Health.

An old man named Pakele died last night. The cause of death was heart disease from which the succumbent had suffered for years.

The Sharpshooters met last night and the resignation of Captain Kidwell was accepted. The new election will take place on Sept. 9th.

Geo. Lycurgus left this afternoon. This genial gentleman will make a tour of the world and stop in Sparta Greece, where he will see his family.

According to the Advertiser the James Makee left for Kauai to bring down guests for the Fairchild-Cummins wedding. Another case of "quarantine."

Several Chinamen had been arrested for violating Board of Health regulations. Well, the Asiatics have got it. But the worst of it is we have it worse.

Gentlemen wanting Straw Hats, will do well to call at L. B. Kerr's before purchasing elsewhere. The hats he is selling at 75 cents and \$1 are screamers.

The psai for the Leper Settlement goes to-night. If the lepers die from cholera no harm would be done. Is President Smith interested in the poi business?

The S. N. Castle left for San Francisco at 2 o'clock this afternoon. D. G. Camarinos at one time Greek Consul at San Francisco returned to that city by this vessel. Good luck, George.

In season or out of season every family should have a bottle of DIARRHOEA MIXTURE in the house. There is none better than DWIGHT'S, which has been dispensed by the HOLLISTER PHARMACY for the last twenty years.

The Board of Health held another meeting. The other islands were taboed although Geo. Fairchild insisted on feed for his mules at Kapaa and even a little groceries for the human mules living around the place.

Ladies purchasing Dress Materials at L. B. Kerr's, are loud in their praise of both style and quality. The White Costumes and Scotch Gingham are unequaled, the 45 inch Cashmere at 20 cents in all colors is likewise a teaser.

L. B. Kerr has just received a new lot of Sun Hats, wide brims, which he is selling at 25 and 35 cents each, just the thing for this warm weather. Also a lot of Black and White Sailors Hats, suitable for School Children; 50 Cents will buy two of them.

## Sans Souci.

The most lovely spot on Oahu is Sans Souci. This favorite seaside resort, which has been immortalized by the pen of Robert L. Stevenson, who resided there for months, is only four miles from Honolulu and within easy reach of the tramcars. The surroundings and bathing at this famous resort are superior to anything found in the Hawaiian Islands. Cottages and board can be obtained on easy terms. The table set by the manager is better than any offered here at other hotels. For picnics, bathing parties and outings the best accommodation can be secured by giving notice to the manager.

BUSH—In Honolulu, Aug. 25, 1895, to the wife of J. E. Bush, Esq., a son.

The latest dispatch from Shanghai to London is that the U. S. Sir:—Having on the 14th instant, lodged at the Custom House a protest against issuing you a passport, we regret to say that, the action was taken hastily and without legal advise. We trust that our action has not caused you any inconvenience or loss.

Your obedient servants.
